

2023 DeKalb County Fair Association (DCFA) Camping – Updated 7/1/2023

Thank you for inquiring about camping during the DeKalb County Fair. The Fair will run from Monday, September 25th through Saturday, September 30th.

Reservations for camping may be made beginning 7/1 for the current year. There are a limited number of sites with electricity and water hook-ups. We will do our best to accommodate requests for sites. Sewer hook-ups are not available.

When making a reservation, please include the following information: Name, address, phone, email, if utilities are preferred, trailer length and if you are a vendor, 4-H member, or other. If you would like to be in the same spot as last year, note that as well.

The event rate structure has changed this year as follows:

- DCFA Member with electric and/or water hook-up \$150
- Non-Member with electric and/or water hook-up \$170
- DCFA Member with no utilities \$100
- Non-Member with no utilities \$120

Note – DCFA membership is \$10. Save \$10 by having someone in the household become a DCFA member

Please make payment to the **DeKalb County Fair Association**, 708 South Union, Auburn, IN 46706. Currently, only check and cash are accepted.

I am a new volunteer with the fair in the camping area. Please be patient as we work out the details this year. I would like to send information via email as much as possible. Please use chrisrowe.in@gmail.com for correspondence. Please include an email where I can reach you. I will also be collecting camper lengths as we look at making adjustments to future layouts.

Please look for communication before the fair confirming your site. Guidelines for camping for the week must be signed and returned before setting camper. Payment for camping must be made prior to setting your camper. All campers must display the “paid” tag where it is visible during the fair.

Thank you,

Chris Rowe
